Why Choose an Investment Club as an Investment Vehicle?

Michael Carstens

National Investment Club Conference 2009

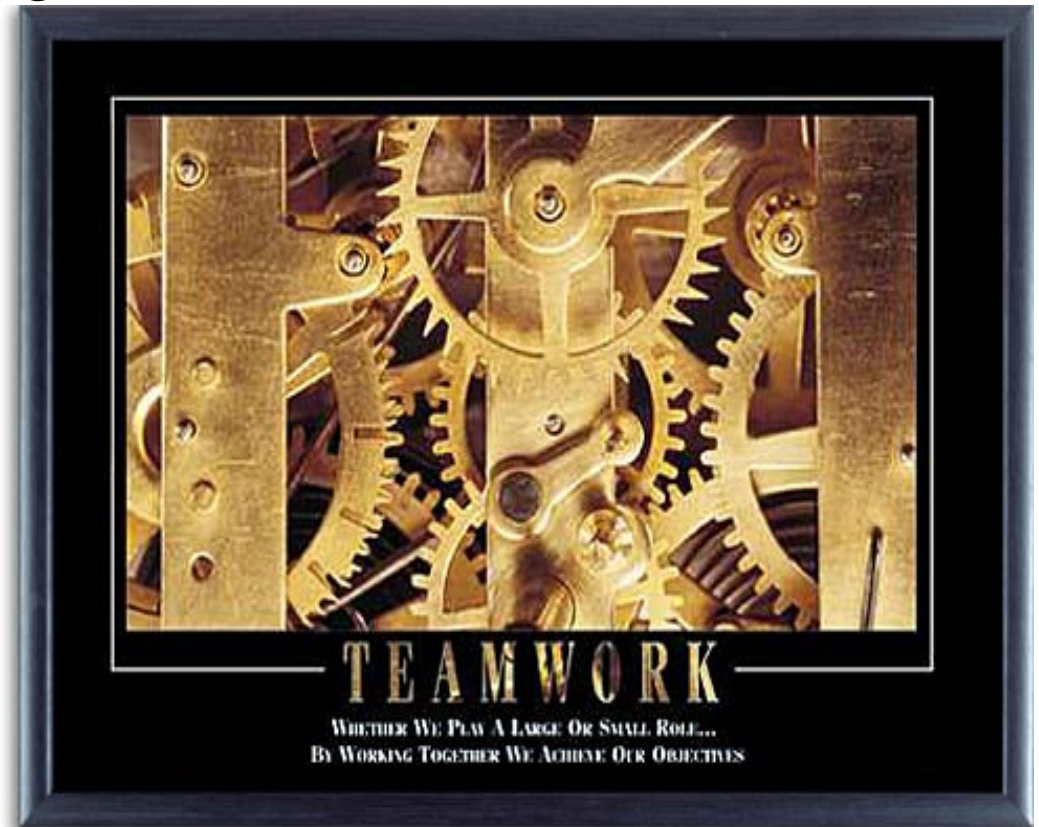

Challenging times –Dare to achieve

- Surge in small investors trading the stock market
- Investment Clubs as a vehicle

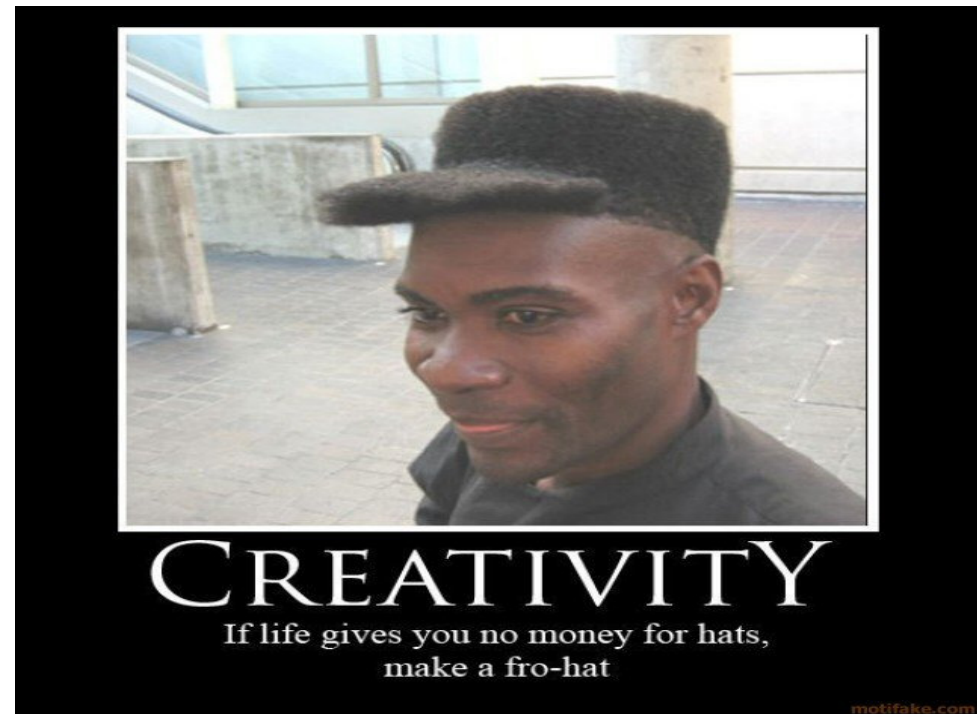

Trust – Building together.

- Building Confidence
- Transparency

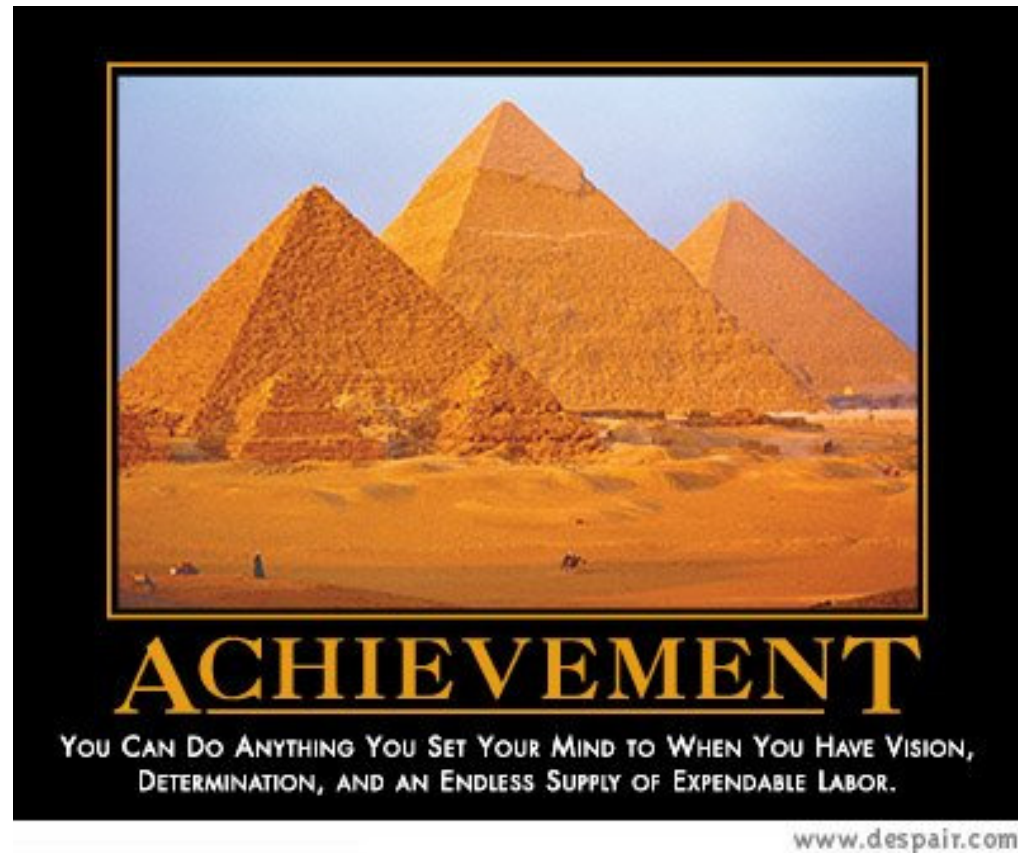

Risk –Dare to be creative

- Think of your stocks as a business
- Investment Clubs and diversified trading instruments

Success-Making each other successful

- Trading not gambling
- No short cuts

National Investment Club Conference 2009

Fun –The way it should be

- Socially relaxed
- Affirming one another
- Rewarding one another

National Investment Club Conference 2009

Dare to make a difference

- Investing in lives
